***Information Disclosure Statement***

The information disclosure statement (IDS) submitted on January 2, 2008, was filed after the mailing date of the Notice of Allowance and Fees Due on October 1, 2007. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner. **This does not affect the reasons of allowance mailed on 1/9/2008 and 10/1/2007.**

The information disclosure statement filed January 7, 2008, fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because it was filed after payment of the issue fee. It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a). If applicant desires consideration of the later filed information disclosure statement, applicant must request withdrawal from issue in favor of a request for continuing examination.
